PLEASE LABEL ALL SUPPLIES, LUNCH BOXES, BACKPACKS & CLOTHING WITH YOUR CHILD'S NAME WHERE POSSIBLE.

The supplies listed above are a **starting point** for the year. During the course of the year, your child's teacher may request that a child either re-supply their stock or make an additional purchase related to a particular activity or project. Children should have the needed supplies on the first day of school.

Indoor Recess - During inclement weather, children may be inside for one or two recess periods. We have found that if a child has a coloring book or activity book that interests them, they have a more enjoyable, purposeful recess. Please consider this item when making purchases.
