## Goal Setting in PE:

**OCTOBER PACER TEST**

**SCORE**  
16

**END OF YEAR GOAL**  
55

What are some activities you can do at home to improve your score?  
Run at least 10 laps.

What is something you found challenging?  
Controlling your breath.

**JANUARY PACER TEST**

**SCORE**  
38

**END OF YEAR GOAL**  
45

What can you do better to achieve your goal?  
Drink lots of water, sleep early to be energetic & run atleast 10 laps a day.

Are you on task to reach the goal you set in October? Why or why not?  
I was not able to reach the goal I set because it was to far from what I got.

Did you need to change your end of the year goal? Why or Why not?  
I did need to change my end of year goal because it was too far away from what I got.

# WOIS: Specials

**Song Title:** Carol of the Bells  
Part played: Alto saxophone

What do you like most about our finished product?  
I sounds amazing

What was the hardest part about playing this piece?  
I needed to come in on the wrong time

How did playing this piece make you feel?  
It made me feel proud to be a band kid

**Emotion I Chose:** Calm

What do you like most about your finished product?  
I like that my finished project is really something that calms me

Describe what loop/tempo or other choices you made to reflect your chosen emotion.  
I used a rather slow tempo to calm down the person who is listening. I used the Apollo 11 beat to start of the calm feeling in my music.

### Essential Elements - Trimester 3 6 Week Goal

My current EE number:

The Trimester 3 6 Week Minimum:

My Trimester 3 6 Week Minimum goal:

What I need to accomplish to meet my goal:

- My goal is due Thursday, March 23rd, 2023
- Practice every other day
- Send 3 songs a week

What can I improve upon to meet my goal or exceed my goal?

Did I meet my goal?

Things I did to meet my goal:

- Sending song after my holy book class bc after my class I get into the mood of sending songs.

What challenge did you overcome?  
Type here

What was your role in this project?  
Type here

What did you learn while working on this project?  
Type here

What was your goal of this project?  
To learn how to count syncopated rhythms

**big idea**

**Song Title:** Mike Jay  
Part played: guitar

What do you like most about our finished product?  
I really liked to see better than the other one

What was the hardest part about playing this piece?  
That it was really fast.
